There are fewer stories this week due to holiday schedule.

* The Eleventh Commandment, A Novel (Second Edition)

HURST, Texas -- AMDAS, INC. announces the release of 'The Eleventh Commandment-A Novel' - Second Edition (ISBN: 978-0-595-40050-8), by Abraham B. Medina. The characters and the story, dialogue in this novel, and incidents within the story are fiction but the introduction, names of politicians, scientists, journalists, and theologians whose works are cited, and the Further Reading feature at the end of the novel are non-fiction.

* deverus, Inc. Partners with eScreen Inc. to Offer First and Only Instrumented Instant Drug Testing Device to Clients

AUSTIN, Texas -- deverus, Inc., the leader in background screening technology, recently announced a partnership with eScreen Inc., a company known for its innovative drug screening technology. After comparing different providers, deverus found that no one could match the selection and quality of products that eScreen had to offer. Through eScreen, deverus will now provide clients with technology that creates a web-based system that delivers faster drug test results and paperless transactions.

* Celebrity Nurse to the Stars Gives Advice to Families on Toddler and Newborn Sleep Routine

LOS ANGELES, Calif. -- Dee Rule, "Baby Nurse and Nanny to the Stars," has been helping families for over 18 years. She is now making the media circuit and offering free advice to parents who need answers on sleep routines.

* Mary Carey Partners with SwappWatch(TM)

CHICAGO, Ill. -- SwappWatch.com has partnered with Mary Carey Productions to unveil an exclusive line of SwappWatch(TM). The contract creates the launch of the Mary Carey line of SwappWatch(TM) watches which will be available to the public in January 2008.

* Det-Tronics Receives FM approval for its Eagle Quantum Premier(R) Supervising System

MINNEAPOLIS, Minn. -- Det-Tronics Corporation (Detector Electronics) today announced that it has received FM approval on its Proprietary Supervising Station System, defined in NFPA 72 2002, for use with the Eagle Quantum Premier(R) (EQP) system.

* ElectionMall, Google, and Iowa GOP Provide Real-Time Results of 2008 Iowa Caucus

DES MOINES, Iowa -- The highly anticipated Iowa Caucus will finally take place this evening and instead of waiting for local and cable news outlets to report the results, Americans can view the Caucus results in real-time. In an historic collaboration between ElectionMall Technologies, the Iowa Republican Party, and Google; voters, bloggers and politicians will be able to view actual county breakdowns once the results are phoned in.

* Relios Jewelry Debuts Retail Kiosk in Major Southwestern Hub

ALBUQUERQUE, N.M. -- Relios Jewelry, America's largest manufacturer of natural lifestyle designer jewelry is celebrating the grand opening of a brand new kiosk in Phoenix's Sky Harbor Airport. Just in time for the holidays - travelers will have the opportunity to color their personal style with a Southwest Spirit original from the new kiosk located in Terminal 4.

* Thomas Mangelsen Captures Nature Category 2007 American Photo Magazine Image of the Year

JACKSON, Wyo. -- Thomas D. Mangelsen of Thomas D. Mangelsen, Inc. is no stranger to photographic accolades; he now has the honor of adding American Photo Magazine's Image of the Year Award for their nature category to his list. The award-winning photo captures images of King Penguins in the bright morning sunshine, shaking off after a cold dip in the sea on South Georgia Island in the southern Atlantic Ocean.

* Griffith Photography Education Services to Launch Photography Training Classes in Fredericksburg, Virginia

FREDERICKSBURG, Va. -- Griffith Photography Educational Services (GPES), a division of Griffith Photography, will launch a series of photography classes in January 2008 designed for beginning through advanced photography enthusiasts. Training classes will allow digital camera owners to have a more enjoyable photography experience by increasing their knowledge and understanding photography. Camera controls are also explained during the training process.

* Detroit Cosmetic Surgeon Unveils His Top Picks, Declaring 2008 as the Year of Patient Satisfaction... without Surgery

DETROIT, Mich.-- While Dr. Mark Berkowitz's patients complain frequently about drooping eyelids, sagging skin, and deep wrinkles, these days their main concerns are how to avoid surgery, anesthesia, lengthy recovery time, and hefty surgical fees. To satisfy his patients, Berkowitz and his Accents Cosmetic Surgery and Medical Spa now has a cache of non-surgical services to address this wildly growing trend... seen not only here in Detroit, but nationally.

* Hot New Year Clutter Clearing Tips from Space Clearing Expert Christan Hummel

OCEANSIDE, Calif. -- Space Clearing expert Christan Hummel says that sometimes clearing away the energetic clutter lingering in one's house or office can produce major even dramatic improvements in the environment you live in. Drawing on an aspect of feng shui known as space clearing, Hummel describes personal and social examples of how space clearing can remove the hidden clutter that drains energy by blocking the invisible life energy flowing through a living space known in China as Ch'i which is the foundation of the science of feng shui.

* Boating Industry Magazine Announces 2007 Top 100 and Leadership Alliance

MINNEAPOLIS, Minn. -- Under the gray skies of today's troubled economy, it's critical now more than ever that boating consumers find reliable, reputable dealers with the staying power to guide them through a lifetime of boating journeys. These consumers now have a trusted source they can turn to, thanks to Boating Industry magazine's third annual Top 100 Dealers.

* Keith J. Powell Named Vice President of Sales at Telovations

TAMPA, Fla. -- Telovations Inc. today announced that Keith J. Powell has been named vice president of sales. Keith will be responsible for commercial direct sales, enterprise sales and the channel partner sales groups. He will report directly to the company president and CEO. Keith brings his more than 20 years of senior sales management experience in telecom and related industries to Telovations.

* Trombone Shorty Gives a Special Christmas Gift to the People of New Orleans

NEW ORLEANS, La.-- The newly built church was filled to its capacity of 1500 seats; people were seated in the aisles, standing in the doorways, and waiting

in the hallway to hear the music. Traffic around the church was snarled and backed up for six blocks, as more people continued to make their way to hear Trombone Shorty, and his musical guests perform at a free Christmas concert at the First Baptist Church of New Orleans this past week, it was announced today by New Orleans Music Hall of Fame.

* RTN Adds a Media General Affiliate in Providence

LITTLE ROCK, Ark. -- Retro Television Network (RTN), which is nationally owned and distributed by Equity Media Holdings Corporation (Nasdaq: EMDA), announced today that it will partner with Media General to bring RTN programming to Providence, RI. The new affiliate, which is the 5th Media General station to sign with RTN, will launch early next year on a digital stream of WJAR, the NBC affiliate in Providence.

* Online Billing Program Helps Private Practitioners Increase Revenue

DENVER, Colo. -- Therapy Partner's innovative online billing program is helping psychologists, psychiatrists and other fee-for-service professionals increase private practice revenue. Mental health providers and other professionals working in private practice are constantly searching for ways to increase revenue that won't interfere with the work they're so passionate about.

* New Mexico-based Jewelry Manufacturer finds Room to Grow

ALBUQUERQUE, N.M. -- Relios, America's largest manufacturer of natural lifestyle designer jewelry has more than doubled its size with a move into a 25,000-square-foot facility in Albuquerque. The move also means that Relios has also more than doubled its production capacity - allowing the major jewelry supplier to expand services to its more than 500 customers.
