

FOR IMMEDIATE RELEASE:

WorldLimo.com Provides One-Stop-Shopping for Ground Transportation Services

BROOKLYN, N.Y. - Dec. 20, 2006 (SEND2PRESS NEWSWIRE) -- Want to chat with a live person, but want the convenience of an on-line service as well? The Corporate Transportation Group, Ltd. has launched a new service - WorldLimo.com - that seeks to satisfy on-line users and solve their travel woes while still providing personalized service.

"Over the years we have learned that our business and leisure travel clientele prefer personalized service and hospitality when using a car service," Eddie Slinin, founder and president, said. "WorldLimo.com provides that service and more."

Ordering a ride is as easy as 1-2.3. Customers go to the Web site at www.WorldLimo.com and then select a car from its fleet. The customer is then given a choice of clicking on "live agent" or calling the company's toll free number. All that's left is to sit back and enjoy the ride.

Unlike standard e-commerce, WorldLimo.com was designed to offer an on-line destination where prospects can interact directly with a live agent for all their questions, transactions and itineraries.

WorldLimo.com services are available in 450 cities, worldwide, and proudly operate well-appointed sedans, limousines, vans and buses.

The world-class fleet includes: Lincoln Town Cars; Mercedes Sedan; Rolls Royce Sedan; Cadillac Escalade SUV; Hummer Stretch Limousine; and Executive Motor Coaches.

With 26 years of experience in ground transportation, CTG has developed a reputation for reliability, safety and customer satisfaction. And, they have managed to keep up with the times. With so many travelers using the Internet, WorldLimo.com adds a level of service extended to accommodate this demographic.

WorldLimo.com has also teamed up with American Express to reward customers who use their American Express card with double membership reward points; this will remain in effect through January 31, 2007.

CTG is a privately-held corporation that provides ground transportation services and travel-related solutions encompassing 450 cities, worldwide, to business and leisure travelers.

Under the control of CTG, are 10 distinct car divisions that transport over one million and a half passengers, annually. The company operates immaculate sedans, limousines, vans, minibuses and buses; comprehensive road services are available.

CTG has developed an outstanding reputation for customer satisfaction at affordable rates; they continue to grow as one of the most distinguished ground transportation providers in the industry.
